

Declaration of Conformity

Manufacturer's Name: BPC Instruments AB

Manufacturer's Address: Mobilvägen 10
223 62 LUND
SWEDEN

Equipment Description: BPC Move is a standalone agitation system that is designed to mix liquid or slurry type of medium in bottles of different sizes. The intended use is mainly in lab environments to mix solutions of different types. It can be used both in short term to dissolve a solid in a solution or the agitation of a longterm biological process (several months).

Equipment Model: BPC Move

Application of Council Directive: EMC (2014/30/EU)

EMC (2014/30/EU)

Referenced EMC Standards: EN 61326-1: 2013

EN 61326-1: 2021

I, the undersigned, hereby declare that the equipment specified above conforms to the above directives and standards.
